Thermal-Break Aluminum Doors

## Premium Features & Benefits

Black Frame with Yellow Wood Grain

2-Bedroom, 1-Living Room

European Standard Sockets

Raised Platform Bathroom

### Premium Black Frame with Yellow Wood Grain

Features standard black frame with 70mm thick EPS wall panels finished with dual-sided 0.25mm yellow wood grain, providing sophisticated aesthetics and excellent thermal insulation for comfortable living.

### Thermal-Break Aluminum Entry Door

Includes premium thermal-break aluminum outward opening door (1890×2230mm) with black frame and double-layer blue film tempered glass, providing energy efficiency and secure entry.

### Aluminum Sliding Windows with Diamond Screens

Features 6 black aluminum sliding windows (930×930mm) with diamond mesh screens and double-layer blue film tempered glass, offering optimal ventilation, natural light, and security.

### European Standard Electrical System

Complete wiring with European standard cables and German standard sockets, ensuring safety, reliability, and full compliance with European electrical regulations for worry-free operation.
