Perfect for clients seeking a bright, contemporary aesthetic that blends seamlessly with modern architectural designs.

Premium Features & Benefits

[White Frame with Yellow Wood Grain](#)[2-Bedroom, 1-Living Room](#)[Thermal-Break White Doors](#)[European Standard Compliance](#)

Premium White Frame Construction

Features standard white frame with 70mm thick EPS wall panels finished with dual-sided 0.25mm yellow wood grain, providing a bright, modern aesthetic with excellent thermal insulation.

Thermal-Break Aluminum Entry System

Includes premium thermal-break aluminum outward opening door (1890x2230mm) with white frame and double-layer blue film tempered glass, providing energy efficiency and elegant entry.

White Aluminum Sliding Windows

Features 6 white aluminum sliding windows (930x930mm) with diamond mesh screens and double-layer blue film tempered glass, offering optimal ventilation and natural light with a clean aesthetic.

Complete European Standard Electrical System

Complete wiring with European standard cables and German standard sockets, ensuring safety, reliability, and full compliance with European electrical regulations for worry-free operation.
